Knock Community Volunteer Service

"It is really important that vulnerable and older people do not leave their homes unless absolutely essential. This includes asking neighbours or family to carry out errands such as grocery shopping, limiting all contacts to only those people you live with or have to visit for essential care reasons"

- Tony Holohan, Chief Medical Officer

This statement was posted by Tony Holohan in recent days. So with this in mind the Knock Community Volunteer Group are asking that people please contact the elderly and more vulnerable in the wider Knock area to ensure they have enough supplies of food, fuel and medication, or just to have a chat.

The Volunteer Service is still available to those who need assistance. Contact one of the coordinators and they will organise help: Sinéad Mallee 087 2204296; Joe Neylon 086 293 8216; Raymond Heneghan 087 2252478; Brian Murphy 087 6418714. McDonnell's Centra Knock, Burke's shop and Life Pharmacy are doing a delivery service. Brickens Meals on Wheels can deliver a hot meal (094) 938 0910.

The coordinators are working closely with the local Garda, Bernadette Breslin (085 8059545) and are registered with the the Mayo County Council #Community Call helpline 094 9064660 (9am-5pm).
